FRONT-END DEVELOPER

A resourceful and motivated student pursuing a Bachelor of Information Resource Management looking forward to becoming Front-End developer to explore professional options in front end development and utilize my knowledge.

I'm experienced with HTML, CSS, JS. Currently studying React and Node.js. I'm constantly learning new concepts and intend to apply my skill sets to benefit the company.

EXPERIENCE

PRACTICE AS A BUSINESS ANALYST

Exposit |BA-department| July 2022

This summer practice was aimed at improving my soft skills and obtaining such qualities as: writing functional requirements, user cases, user stories.

INTERNSHIP AS A FRONT-END DEVELOPER

IntexSoft | March 2023 - May 2023

The internship was aimed at deepening knowledge of the HTML, CSS and JavaScript. During the internship, HTML and CSS were revised, including creating animation and responsive design using CSS. I also learned some tricks of creating interactive elements on the page, creating prototypes and so on.
